

AVS™ MBAV PLATE POUCH SET

AVS-PS3

CRYE PRECISION™

DESIGN

Sold as a set (front and back), AVS™ MBAV PLATEBAGS are custom fit for each plate size and are designed to work with MBAV ballistic inserts. Can be configured with the AVS™ HARNESS or separately with the AVS™ 2-BAND SKELETAL™ CUMMERBUND for a simpler plate carrier configuration. Front platebag features a VELCRO® brand loop panel that allows the attachment of the AVS™ detachable front MOLLE or Mag Pouch Panels.
