- 3. Versatile mounting points allow it to be used on many systems

DESIGN

Our AVS[™] PADDED YOKE allows you to turn the AVS[™] CHEST RIG into a standalone chest rig. The yoke can also be used in conjunction with any of our AVS[™] PLATE BAGS to form a modular vest with a padded neck and shoulder area. It can also be used as a comfortable load-bearing means of adding support for any of our belts. Made in the US from US materials.

SIZE

One size fits all
